

WORLD OF RADIO #1052, produced September 20, 2000 by Glenn Hauser

- \*RFPI back on 42mb after two months, 6969 kHz, and 15049 no longer 24 hours; fewer airings for COM and WOR overnight
- \*Listeners who could not hear 15049 with COM can now use 6969; on the web, COM 00-07 now audible at <http://www.DXing.com>
- \*Fire at Montsinery relay in French Guiana leads RFI, SRI and NHK to move transmissions to France or elsewhere for a month; CRI no longer heard
- \*Swiss Radio International explains the Guiana situation, and substitute transmissions, what TDF has done in France
- \*Thais Silva, wife of Jeff White, has permit for Venezuelan tropical station, frequency designated
- \*Dates for DST in part of Brazil
- \*Another USB feeder from Argentina, with R. Continental
- \*Webradio from Peru for news of Fujimori quitting, etc., lacking international SW service: <http://www.rpp.com.pe> and <http://www.terra.com.pe/cpn/radiol.htm>
- \*Sound effects in background: planes and trains very active in Enid this afternoon; it's finally cool enough to open the windows
- \*TIFC Costa Rica still putting pulsating noise on 9 MHz band
- \*Scream of the Butterfly continues on WRMI, and tests this Saturday afternoon the 23rd on WBCQ; special QSL from P O Box 1994, Rancho Cordova CA 95741
- \*Sept 23 is also Marion's Attic first anniversary on WBCQ, simulcast
- \*Don't You Believe WINB's website giving their own frequency wrong; nothing but gospel
- \*Voice of SW Radio, North American AM pirate on 48mb
- \*The midpoint of edition 1052 of the media magazine you monitor with your mind, World of Radio; P O Box 1684, Enid, OK 73702 USA; or [wghauser@hotmail.com](mailto:wghauser@hotmail.com) Fax: 1-580-233-2948 Much more info at our site: <https://www.angelfire.com/ok/worldofradio>
- \*BBC programme Desert Island Discs copied by other stations, including Radio Free Santa Fe, <http://www.kbac.com/listenlive.shtml> and WITF, Hershey PA, <http://www.witf.org> with Ellen Hughes
- \*California AG rules Pacifica Foundation directors can be sued on behalf of public interest: <http://home.pon.net/wildrose/remove.htm>
- \*Special MW DX test season begins Sept 30, from WJNT 1180, Jackson MS; report by E-mail only: [email@wjnt.com](mailto:email@wjnt.com)
- \*Midwest DX Get-together at Tenkiller State Park, OK, Oct 13-15; info from John Tudenham, 1-417-624-8058 or [w0jrp@earthlink.net](mailto:w0jrp@earthlink.net)
- \*American Olympic fans complain of no live coverage on NBC; but live available on C-band dishes from CBC in Canada (or off air near border); we maintain all sports, even play-by-play should be delayed
- \*Toronto has a pirate TV station: <http://www.srtv.on.ca>
- \*C'est la Vie, CBC program introducing French Canada to the English, is back for new season, but mid-day Friday and no longer on RCI
- \*BBC WS quickly closed down due to Olympics alternate stream via <http://www.broadcast.com> but resourceful surfers may still find it if they know where to look and other BBC services, such as Radio 4 are not completely blocked

\*BBC On Air magazine has new editor who has made improvements, but not enough yet; frequency folder may not be updated

\*Global Sound Kitchen still has additional frequency to those mentioned last week

\*Special longwave 153 broadcast in late September inaugurating new transmitter in Ingoy; check <http://www.dxlc.com> - special QSLs

\*Mauritania off frequency again and drifting on 60 meters

\*Radio Cairo now has audio site with English archive, Arabic stream at <http://www.sis.gov.eg/realpg/html1/front.htm>

\*Iraq, Iran, Kurdish clandestine survey with times monitored is in DX Listening Digest 0-114

\*Receiver shorts from John Norfolk: Radio Shack has two multibands with SW included; and two new SW receivers; see Reception Tips on WOR website

\*Drake SW-8 production discontinued; no back orders being filled

\*First digital radio under 300 pounds launched in Britain, DRX 601-E

\*Propagation disturbances this week brought down under MW to Oregon

\*Propagation outlook from Boulder September 19: flux range 215-170-205

\*Standard disclaimer

\*Glenn Hauser, concluding World of Radio 1052                      ###
